A QUICK WORD FROM RED SOX TED O'CONNOR VP

May the music within you, grace your world. Luvs yah All!! For all our bands, visit their web site for more info. The lineup is 'top tree'. As we say, 'It don't get any better. Its jazzy to see so many new members – we urgently need new members or old to help with various jobs. Please call myself, Ted 54916017 or Julie 0412789957.

As Brian said Our Club has done it again - what an afternoon 3 June, to be entertained by The Jazz Kings & Nicole Parker-Brown. A classic lineup of Australian musicians who have toured the world with the best entertainers - this new group with some very well-known faces, made their debut on the Sunshine Coast – and really rocked the place – How about Nicole & Peter dueting the Eddie Cantor classic "Makin Whoopee" does fun music get any better – Yep! Drummer Rodney Ford

singing a Bossa version of Error Garner's "Misty" Trumpet & vocals from Peter, guitar solos from Mark & Gordon plus outstanding bass from John (Conley), drums and vocals from Rodney all gave Nicole great support to make the afternoon a musical delight (and the dancers loved it too)- can't wait to have them back –thanks again to the SCJazz Club committee for bringing them to the Sunshine Coast.

JULIE'S REPORT

Hi Jazz Loving Friends,

The Mother's Day Tribute at Currimundi Hotel Function Room went off well though numbers were significantly down on those we have been attracting at our new home, Caloundra Power Boat Club. Still, Russell Bayne & the Session Band, as usual, hit

all of the right notes and entertained all who attended. The Mums really enjoyed receiving the white and silver rosettes plus the 'favor' boxes of chocolates on the tables, also proved very popular. John and I managed to make it to this great day by a whisker, having only returned that day, from a whirlwind 'trip around the world in 21 days' on a chartered Qantas 747 – an amazing and unforgettable trip to say the least, visiting the highlights of 7 countries.

Sadly, while we were away, the beautiful and brave Judy Bennett (wife of our Treasurer Bernie) lost out to cancer – Bernie really appreciated the attendance of so many from the Jazz Club at her Celebration of Life.

We have also lost another long time member in past weeks – Brian Emeny and his dear wife Clarice will move to live with family north of Gympie.

VALE Judy & Brian

We were very excited to have Nicole Parker Brown & The Jazz Kings, led by the super showman himself, Peter Uppman –

first time for this top group at the Sunshine Coast but surely not the last.

The big news is that we were invited to be part of the Old Cabaret Festival and "The View from Madeleine's Couch" will be highlighted during the festival 12th – 30th June 2018 – make sure you check out their web site for details (this will surely raise the profile of the Sunshine Coast Jazz Club)

BRIAN FANE'S REPORT

**RUSSELL BAYNE & THE
SESSION BAND**

*Sunday 13th May Mother's Day
The crowd at the*

Currimundi Hotel Function Room had barely settled and enjoying the lovely decorated tables when Peter Uppman opened the afternoon with Louis Prima's "Just a Gigalo" -we all knew the words - and joined in the chorus. What a start to one of the best fun musical afternoons the Club has enjoyed. All first class musicians who enjoy entertaining.

"It Had to be You", "Sweet Caroline" " Together", "Old Rockin' Chair" were some tunes in the first set. A break, Kenny Ball's "Midnight in Moscow", "Samantha" then more playing of requests from the audience. Another pleasant surprise, we were then entertained by our lovely President Julie who belted out a sterling vocal of " Won't You Come Home Bill Bailey" to the crowd's delight. How could you forget Russell's guitar solos, they are always memorable, Pat on drums and vocal, Peter's high note trumpet solos and vocals,

how about Mike's vocals and trombone. These guys are world class and have played with the top names around the world, and we have them playing for the Sunshine Coast Jazz Club!!!

"Sunny Side of the Street" " Moondance" {never thought we would hear Van Morrison} Tom Jones "It's Not Unusual" given a great workout from Peter and then a wonderful solo from Jo on Keyboard boogieing Freddie Slack's "Down the Road Apiece".

Time for the finish and what a finish, a masterful rendition of one of the all- time Jazz Classic's " St. James Infirmary Blues" with the audience singing and joining on the dance floor all doing their own low down boogie!!

Always an encore and we all waved and shouted to "Minnie the Mermaid"

Do we want Russell and the Session Band again ?? WE SURE DO!!
